**The Birthday Party Stanley N. Alpert 2008-01-02** On January 21, 1998, the night before his thirty-eighth birthday, federal prosecutor Stanley N. Alpert was kidnapped off the streets of Manhattan by a car full of gun-toting thugs looking to use his ATM card. He ended up blindfolded in a Brooklyn apartment as his captors changed their plans, alternately threatening him and his family, seeking legal advice, expounding on the "gangsta" life, and offering him the services of their prostitute girlfriends as a birthday present. All the while, Alpert, still blindfolded, talked with them, played on their attitudes and fears, and memorized every detail he could in the event that he ever managed to get out of there alive. Filled with immediacy, drama, and extraordinary characters, *The Birthday Party* reads like a thriller-but every word is true.

**Catch Me If You Can Frank W. Abagnale 2002-11-19** The uproarious, bestselling true story of the world's most sought-after con man, immortalized by Leonardo DiCaprio in DreamWorks' feature film of the same name, from the author of *Scam Me If You Can*. Frank W. Abagnale, alias Frank Williams, Robert Conrad, Frank Adams, and Robert Monjo, was one of the most daring con men, forgers, imposters, and escape artists in history. In his brief but notorious criminal career, Abagnale donned a pilot's uniform and copiloted a Pan Am jet, masqueraded as the supervising resident of a hospital, practiced law without a license, passed himself off as a college sociology professor, and cashed over \$2.5 million in forged checks, all before he was twenty-one. Known by the police of twenty-six foreign countries and all fifty states as "The Skywayman," Abagnale lived a sumptuous life on the lam-until the law caught up with him. Now recognized as the nation's leading authority on financial foul play, Abagnale is a charming rogue whose hilarious, stranger-than-fiction international escapades, and ingenious escapes-including one from an airplane-make *Catch Me If You Can* an irresistible tale of deceit.

**The Murder of Marilyn Monroe Jay Margolis 2016-09-20** A New York Times Best Seller! Since Marilyn Monroe died among suspicious circumstances on the night of August 4, 1962, there have been queries and theories, allegations and investigations, but no definitive evidence about precisely what happened and who was involved . . . until now. In *The Murder of Marilyn Monroe: Case Closed*, renowned MM expert Jay Margolis and New York Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming, for the first time, the screen goddess's killer while utilizing the testimony of eye-witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles' Brentwood neighborhood. Implicating Bobby Kennedy in the commission of Marilyn's murder, this is the first book to name the LAPD officers who accompanied

the US Attorney General to her home, provide details about how the Kennedys used bribes to silence one of the ambulance drivers, and specify how the subsequent cover-up was aided by a noted pathologist's outrageous lies. This blockbuster volume blows the lid off the world's most notorious and talked-about celebrity death, and in the process exposes not only the truth about an iconic star's tragic final hours, but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*Hard and Fast* Erin McCarthy 2009-05-05 The sequel to *Flat-Out Sexy*, starring a bad boy race car driver hero who's met his match-from a hot USA Today bestselling author. Grad student Imogen Wilson realizes she's hit on the perfect thesis for her sociology degree. If she follows the so-called "rules" on how to get a man, can she steer her way into the world and hearts of stock race car drivers, and establish their dating- and mating-patterns? Although sexy and reckless racer Ty McCordle is the ideal test subject, Imogen knows that for the sake of science, she can't give in to her growing attraction for him. Yet he's the one who's chasing after her, and Imogen realizes that she actually wants to be caught. A southern gentleman like Ty will satisfy all her curiosity-and make all the risks worthwhile...

*Girl From Mars* Julie Cohen 2009-07-09 A truly out-of-this-world romance from Little Black Dress star Julie Cohen I, Philomena Desdemona Brown, do solemnly swear to forsake all romantic relationships... It's not like the vow, made by Fil and her three nerdy male best friends, seemed much of a big deal at the time. Frankly, Fil wouldn't know romance if it hit her in the face, and with her real love being her artist job at *Girl from Mars*, the comic whose heroine has never had a love interest, she doesn't exactly mind being relationship-free anyway. Until her world is rocked to its core when one of her long-standing quartet and *Girl from Mars* herself both unexpectedly fall in love. Is it time to give in to temptation and finally fall in love?

*In Hoffa's Shadow* Jack Goldsmith 2019-09-24 "The Irishman is great art . . . but it is not, as we know, great history . . . Frank Sheeran . . . surely didn't kill Hoffa . . . But who pulled the trigger? . . . For some of the real story, and for a great American tale in itself, you want to go to Jack Goldsmith's book, *In Hoffa's Shadow*." -Peggy Noonan, *The Wall Street Journal* "In Hoffa's Shadow is compulsively readable, deeply affecting, and truly groundbreaking in its re-examination of the Hoffa case . . . a monumental achievement." -James Rosen, *The Wall Street Journal* As a young man, Jack Goldsmith revered his stepfather, longtime Jimmy Hoffa associate Chuckie O'Brien. But as he grew older and pursued a career in law and government, he came to doubt and distance himself from the man long suspected by the FBI of perpetrating Hoffa's disappearance on behalf of the mob. It was only years later, when Goldsmith was serving as assistant attorney general in the George W. Bush administration and questioning its misuse of surveillance and other powers, that he began to reconsider his stepfather, and to understand Hoffa's true legacy. *In Hoffa's Shadow* tells the moving story of how Goldsmith reunited with the stepfather he'd disowned and then set out to unravel one of the twentieth century's most persistent mysteries and Chuckie's role in it. Along the way, Goldsmith explores Hoffa's rise and fall and why the golden age of blue-collar America came to an end, while also casting new light on the century-old surveillance state, the architects of Hoffa's disappearance, and the heartrending complexities of love and loyalty.

*Unlawful Contact* Pamela Clare 2008 While investigating the disappearance Megan, who is on the run from the law with her newborn daughter, journalist Sophie Alton's search leads her to Megan's brother, a convicted killer, who becomes her greatest ally as she tries to find the truth.

*A Lot Like Love* Julie James 2011-03-01 An FBI agent and an heiress have to get up close and personal on an undercover assignment in this thrilling romance from the author of *The Thing About Love*. As the daughter of a billionaire and the owner of the city's top wine store, Jordan Rhodes is invited to the most exclusive parties in Chicago. But there's only one party the FBI wants to crash: the charity fundraiser of a famous restaurateur, who also happens to launder money for the mob. In exchange for her brother's release from prison, Jordan is going to be there--with a date supplied by the Bureau. As the top undercover agent in Chicago, Nick McCall has one rule: never get personal. This "date" with Jordan Rhodes is merely an assignment--one they're both determined to pull off even if they can't be together for five minutes before the sarcasm and sparks begin to fly. But when Nick's investigation is compromised, he and Jordan have no choice but to pretend they're a couple, and what starts out as a simple assignment begins to feel a lot like something more...

*The Mueller Report* Robert S. Mueller 2019-04-26 This is the full Mueller Report, as released on April 18, 2019, by the U.S. Department of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia and the Trump campaign. Mueller submitted his report to Attorney General William Barr on March 22, 2019, and the Department of Justice released the redacted report one month later.

**Love Irresistibly** Julie James 2013-04-02 From the New York Times bestselling Julie James--a smart, sexy novel that brings together a former football star turned prosecutor and a beautiful restaurant executive who's been burned one too many times by romance. For fans of Susan Mallery and Rachel Gibson. **HE'S USED TO GETTING WHAT HE WANTS...** A former football star and one of Chicago's top prosecutors, Assistant U.S. Attorney Cade Morgan will do anything to nail a corrupt state senator, which means he needs Brooke Parker's help. As general counsel for a restaurant company, she can get a bug to the senator's table at one of her five-star restaurants so the FBI can eavesdrop on him. All Cade has to do is convince Brooke to cooperate—and he's not afraid to use a little charm, or the power of his office, to do just that. **AND WHAT HE WANTS IS HER** A savvy businesswoman, Brooke knows she needs to play ball with the U.S. Attorney's office—even if it means working with Cade. No doubt there's a sizzling attraction beneath all their sarcastic quips, but Brooke is determined to keep things casual. Cade agrees—until a surprising turn of events throws his life into turmoil, and he realizes that he wants more than just a good time from the one woman with whom he could fall terrifyingly, irresistibly in love. . .

**The Client** John Grisham 2010 A US State Senator is dead, and 11-year-old Mark Sway is the only one who knows where the body is hidden. The FBI want him to tell them where it is at whatever cost to Mark and his family. The killer wants him silenced forever. Reggie Love has been practising law for less than five years. Only she can save Mark from these twin threats. Together they must take on the might of the State and the wiles of a cold-blooded killer. 'Hard to put down' Daily Telegraph 'Take it from me, this man Grisham spins a damned good yarn and is going to be around for a long, long time' Time Out 'It's gripping enough to be best read in daylight' Sunday Express

**Something About You** Julie James 2010-03-02 There's something about the New York Times bestselling Julie James... **FATE HAS THROWN TWO SWORN ENEMIES...** Of all the hotel rooms rented by all the adulterous politicians in Chicago, female Assistant U.S. Attorney Cameron Lynde had to choose the one next to 1308, where some hot-and-heavy lovemaking ends in bloodshed. And of all the FBI agents in Illinois, it had to be Special Agent Jack Pallas who gets assigned to this high-profile homicide. The same Jack Pallas who still blames Cameron for a botched crackdown three years ago—and nearly ruining his career... **...INTO EACH OTHER'S ARMS** Work with Cameron Lynde? Are they kidding? Maybe, Jack thinks, this is some kind of welcome-back prank after his stint away from Chicago. But it's no joke: the pair is going to have to put their rocky past behind them and focus on the case at hand. That is, if they can cut back on the razor-sharp jibes—and smother the flame of their sizzling-hot sexual tension...

**Cuff Me** Lauren Layne 2016-03-29 Meet New York's Finest—three hot brothers sworn to protect and serve the city they love . . . and the women who've stolen their hearts. Vincent Moretti is one of the NYPD's top homicide detectives—and one of the most eligible bachelors in town. His family, however, thinks he should date his longtime partner, Jill—a sassy, sexy, smart-mouthed blonde who drives him

absolutely crazy. Behind the quiet authority, tough-guy demeanor, and dark aviator glasses lies a man with a big soul-and a hard body that can soften any girl's heart. After years as his coworker, Jill Henley has given up hope that anything could happen between her and Vin. Besides, loving him would break all the rules. But seeing Jill with someone else triggers feelings in Vincent he never knew he had. Now he'll have to stop playing good cop/bad cop-and find a way to convince her to be his partner for life. . .

Cream and Punishment Susannah Nix 2022-01-18 She's not just my ex-girlfriend. She's my new coworker. I knew Lucy Dillard was The One the first time I met her. Yes, I'm enough of a sap to believe in love at first sight. When I fell for Lucy, I fell hard. Everything was great between us-until the moment she dumped me. Now I just want to forget about her. Instead, I'm stuck staring at her face all day. But I need this job, so I'll find a way to be civil and professional. There's just one small problem: I'm nowhere close to being over her. First, we were lovers. Then enemies. Now we're trying to work together. I didn't set out to break Tanner King's heart, but you know what they say about the road to hell. I've got too many responsibilities and no room in my life for love. I can deal with Tanner's resentment until he starts working at the desk directly across from mine. Obviously, a truce of some kind is required. We're both grownups. We can handle this situation like professionals. There's only one thing threatening this fragile peace we've negotiated: all these inconvenient feelings I apparently still have for him. Cream and Punishment is book #2 in the King Family series set in the small town of Crowder, Texas, home of the King's Creamery ice cream company. Each book is a standalone, full-length contemporary romance that follows one of the six King siblings as they find and fight for love.

The Suspect Kent Alexander 2019-11-12 The "intensively reported and fluidly written" true-crime account of the heroic security guard accused of the 1996 Centennial Olympic Park bombing (Wall Street Journal). On July 27, 1996, security guard Richard Jewell spotted a suspicious bag in Atlanta's Centennial Olympic Park, the town square of the 1996 Summer Games. Inside was a bomb, the largest of its kind in FBI and ATF history. The bomb detonated amid a crowd of fifty thousand people. But thanks to Jewell, it only wounded 111 and killed two, not the untold scores who would have otherwise died. Yet seventy-two hours later, the FBI turned Jewell from a national hero into their main suspect. The decision not only changed Jewell's life, it let the true bomber roam free to strike again. Today, most of what we remember of this tragedy is wrong. In a triumph of investigative journalism, former U.S. Attorney Kent Alexander and reporter Kevin Salwen reconstruct events before, during, and after the bombing. Drawn from law enforcement evidence and the extensive personal records of key players—including Richard himself—The Suspect, is a gripping story of domestic terrorism and an innocent man's fight to clear his name.

Homicide at Rough Point Peter Lance 2020-10-27 Cielo Drive cuts like a beautiful scar along the bottom of a V-shaped canyon in the hills of Bel Air, off of Benedict. In February, 1969, as she looked out on it from the red farmhouse at 10050 Cielo she and her husband Roman Polanski had just rented, Sharon had no way of knowing that she only had 6 months to live. On the night of August 9th, members of "The Manson Family" would invade that house and murder Sharon and three of her closest friends. But strangely, half a year earlier, she'd had a brush with a different killer. It happened after her younger sister Patti, then 11, looked across at the ominous Spanish-Moorish estate Sharon called "The Haunted House." In "Restless Souls," their remarkable memoir, Alisa Statmen and Brie Tate write that Patti then hiked down and across Cielo, walking up to No. 1436 Bella Drive. There, she encountered an open gate where white pillars bore the name: Falcon Lair. Once the home of Rudolf Valentino, it had been purchased in 1953 by the fabulously wealthy heiress Doris Duke. The wrought iron gates were open when Patti wandered

inside. Suddenly, she heard, the caretaker yell, "This is private property!" Startled, she turned and lost her balance, skinning her knee, when just then, a black limo pulled in. A tinted window went down and a tall woman in black lowered her sunglasses to ask who she was. Once she ID'd herself as Patti, whose sister Sharon lived "across in the red barn," Doris knew that this wasn't just any child. She was the sibling of the hottest young star in town. So Doris snapped to the caretaker, "Stop being such an ogre and bring Patti in, so we can clean those scraps. And get me the Polanski's phone number." Later, the Duke staff was bandaging Patti's knee when Sharon arrived, "nervously chewing her lower lip" and apologizing to the blond billionaire who was the 3rd richest woman in the world behind Queen Elizabeth & Queen Juliana. But by then, Sharon Tate was Hollywood royalty herself; her husband Roman, coming off "Rosemary's Baby," was a kind of cinematic prince. So why was she nervous? What would make her bite her lip in the face of a woman whose caretaker's aggressive warning had caused her little sister to draw blood? Since Sharon was killed that summer, we'll never know. But one thing is clear: this wasn't the first time Sharon Tate had been pulled into Doris Duke's orbit. 2 1/2 years earlier, one of Sharon's closest friends, Eduardo Tirella, had been violently killed after Doris crushed him under a two-ton station wagon. At the time, all of Eduardo's friends suspected he'd been murdered. The brutal stabbing of Sharon Tate is the tragic tale of a young woman of great promise cut down in the prime of life. But the same could be said for Eduardo, whose own Hollywood career was just catching fire, when he told the possessive, heiress he was leaving her, just minutes before she ran him down outside the gates of her Newport, RI estate. Because she had the money and power, Doris Duke succeeded in effectively erasing his death from the narrative of her troubled life. For more than 50 years, the real truth behind what happened at Rough Point in 1966 has been hidden. Until now!

*French Twist* Roxanne St. Claire 2004-02-09 Following her white-hot debut novel, *Tropical Getaway*, Roxanne St. Claire captures the passion and intrigue of France in a dazzling romantic suspense adventure. Janine Coulter has just gotten her big chance to prove herself, managing a prestigious exhibit at the Palace of Versailles -- and Luc Tremont, the security specialist, is clearly trouble. He's making decisions without her, under-cutting her authority. He's also too smooth, too virile, too dangerously handsome, too...well...French! And Janine has the uneasy suspicion he's not all that he seems. Luc resolutely ignores the powerful sizzle of attraction he feels when he meets Janine -- the quintessential California girl with her blond hair, blue eyes, and legs that seem to go on forever. But when thieves steal priceless treasures from the exhibit, and Luc and Janine give chase across the lush Burgundy countryside, their forced intimacy ignites the passion both have tried to ignore. Luc wonders what will happen when Janine learns his true identity -- but with dangerous men pursuing them, they may not live to find out....

*Perversion of Justice* Julie K. Brown 2021-07-20 The New York Times Bestseller "A gripping journalistic procedural... Spotlight meets Erin Brockovich." --Michelle Goldberg, The New York Times "Julie K. Brown's important book offers not just a definitive account of the Epstein case, but a compelling window into her own experiences as a dogged reporter at a regional newspaper, facing off against powerful interests set against her reporting." --Ronan Farrow, Pulitzer Prize-winning author of *Catch and Kill* Dauntless journalist Julie K. Brown recounts her uncompromising and risky investigation of Jeffrey Epstein's underage sex trafficking operation, and the explosive reporting for the Miami Herald that finally brought him to justice while exposing the powerful people and broken system that protected him. For many years, billionaire Jeffrey Epstein's penchant for teenage girls was an open secret in the high society of Palm Beach, Florida and Upper East Side, Manhattan. Charged in 2008 with soliciting prostitution from minors, Epstein was treated with unheard of leniency, dictating the terms of his non-prosecution. The media virtually ignored the failures of the criminal justice

system, and Epstein's friends and business partners brushed the allegations aside. But when in 2017 the U.S Attorney who approved Epstein's plea deal, Alexander Acosta, was chosen by President Trump as Labor Secretary, reporter Julie K. Brown was compelled to ask questions. Despite her editor's skepticism that she could add a new dimension to a known story, Brown determined that her goal would be to track down the victims themselves. Poring over thousands of redacted court documents, traveling across the country and chasing down information in difficulty and sometimes dangerous circumstances, Brown tracked down dozens of Epstein's victims, now young women struggling to reclaim their lives after the trauma and shame they had endured. Brown's resulting three-part series in the Miami Herald was one of the most explosive news stories of the decade, revealing how Epstein ran a global sex trafficking pyramid scheme with impunity for years, targeting vulnerable teens, often from fractured homes and then turning them into recruiters. The outrage led to Epstein's arrest, the disappearance and eventual arrest of his closest accomplice Ghislaine Maxwell, and the resignation of Acosta. The financier's mysterious suicide in a New York City jail cell prompted wild speculation about the secrets he took to the grave-and whether his death was intentional or the result of foul play. Tracking Epstein's evolution from a college dropout to one of the most successful financiers in the country-whose associates included Donald Trump, Prince Andrew, and Bill Clinton-Perversion of Justice builds on Brown's original award-winning series, showing the power of truth, the value of local reportage and the tenacity of one woman in the face of the deep-seated corruption of powerful men.

Doing Justice Preet Bharara 2019-03-19 \*A New York Times Bestseller\* An important overview of the way our justice system works, and why the rule of law is essential to our survival as a society—from the one-time federal prosecutor for the Southern District of New York, and host of the Doing Justice podcast. Preet Bharara has spent much of his life examining our legal system, pushing to make it better, and prosecuting those looking to subvert it. Bharara believes in our system and knows it must be protected, but to do so, he argues, we must also acknowledge and allow for flaws both in our justice system and in human nature. Bharara uses the many illustrative anecdotes and case histories from his storied, formidable career—the successes as well as the failures—to shed light on the realities of the legal system and the consequences of taking action. Inspiring and inspiringly written, Doing Justice gives us hope that rational and objective fact-based thinking, combined with compassion, can help us achieve truth and justice in our daily lives. Sometimes poignant and sometimes controversial, Bharara's expose is a thought-provoking, entertaining book about the need to find the humanity in our legal system as well as in our society.

Chokehold Paul Butler 2018-09-18 Finalist for the 2018 National Council on Crime & Delinquency's Media for a Just Society Awards Nominated for the 49th NAACP Image Award for Outstanding Literary Work (Nonfiction) A 2017 Washington Post Notable Book A Kirkus Best Book of 2017 "Butler has hit his stride. This is a meditation, a sonnet, a legal brief, a poetry slam and a dissertation that represents the full bloom of his early thesis: The justice system does not work for blacks, particularly black men." —The Washington Post "The most readable and provocative account of the consequences of the war on drugs since Michelle Alexander's The New Jim Crow . . . ." —The New York Times Book Review "Powerful . . . deeply informed from a legal standpoint and yet in some ways still highly personal" —The Times Literary Supplement (London) With the eloquence of Ta-Nehisi Coates and the persuasive research of Michelle Alexander, a former federal prosecutor explains how the system really works, and how to disrupt it Cops, politicians, and ordinary people are afraid of black men. The result is the Chokehold: laws and practices that treat every African American man like a thug. In this explosive new book, an African American former federal prosecutor shows that the system is working exactly the way it's supposed to. Black men are always under watch, and police violence is

widespread—all with the support of judges and politicians. In his no-holds-barred style, Butler, whose scholarship has been featured on 60 Minutes, uses new data to demonstrate that white men commit the majority of violent crime in the United States. For example, a white woman is ten times more likely to be raped by a white male acquaintance than be the victim of a violent crime perpetrated by a black man. Butler also frankly discusses the problem of black on black violence and how to keep communities safer—without relying as much on police. Chokehold powerfully demonstrates why current efforts to reform law enforcement will not create lasting change. Butler's controversial recommendations about how to crash the system, and when it's better for a black man to plead guilty—even if he's innocent—are sure to be game-changers in the national debate about policing, criminal justice, and race relations.

Paper Cranes Julie James 2021-07-16 Cassie Caldwell is a confident and feisty widow who isn't afraid to speak her mind, even while attempting to navigate her way through the year after her young husband's accidental and sudden death. With the help of her family and friends, Cassie finds herself in the process of getting her life back on track and healing. Serendipitously, she receives a letter of condolence from Matt Brooks, an acquaintance from high school. After reconnecting, both Matt and Cassie begin to realize that they might be more than just old classmates as they find themselves spending more time together and corresponding regularly. Cassie attempts to move on from her husband and accept her new life situation, while Matt comes to the conclusion that he is just as enamored with Cassie as he always was. As their feelings deepen, Matt worries that he should protect Cassie from her own growing affection until he can understand the best way to move forward from his own past and explain it to Cassie.

Politics Is for Power Eitan Hersh 2020-01-14 A brilliant condemnation of political hobbyism—treating politics like entertainment—and a call to arms for well-meaning, well-informed citizens who consume political news, but do not take political action. Who is to blame for our broken politics? The uncomfortable answer to this question starts with ordinary citizens with good intentions. We vote (sometimes) and occasionally sign a petition or attend a rally. But we mainly “engage” by consuming politics as if it’s a sport or a hobby. We soak in daily political gossip and eat up statistics about who’s up and who’s down. We tweet and post and share. We crave outrage. The hours we spend on politics are used mainly as pastime. Instead, we should be spending the same number of hours building political organizations, implementing a long-term vision for our city or town, and getting to know our neighbors, whose votes will be needed for solving hard problems. We could be accumulating power so that when there are opportunities to make a difference—to lobby, to advocate, to mobilize—we will be ready. But most of us who are spending time on politics today are focused inward, choosing roles and activities designed for our short-term pleasure. We are repelled by the slow-and-steady activities that characterize service to the common good. In *Politics Is for Power*, pioneering and brilliant data analyst Eitan Hersh shows us a way toward more effective political participation. Aided by political theory, history, cutting-edge social science, as well as remarkable stories of ordinary citizens who got off their couches and took political power seriously, this book shows us how to channel our energy away from political hobbyism and toward empowering our values.

It Had to Be You Susan Elizabeth Phillips 2013-05-14 The Windy City isn't quite ready for Phoebe Somerville—the outrageous, curvaceous New York knockout who has just inherited the Chicago Stars football team. And Phoebe is definitely not ready for the Stars' head coach, former gridiron legend Dan Calebow, a sexist jock taskmaster with a one-track mind. Calebow is everything Phoebe abhors. And the sexy new boss is everything Dan despises—a meddling bimbo who doesn't know a pigskin from a pitcher's mound. So why is Dan drawn to the shameless sexpot like a heat-seeking missile? And why does the coach's good ol' boy charm leave cosmopolitan Phoebe feeling awkward, tongue-tied . . . and ready to fight? The sexy,

heartwarming, and hilarious "prequel" to This Heart of Mine—Susan Elizabeth Phillips's New York Times bestselling blockbuster—It Had To Be You is an enchanting story of two stubborn people who believe in playing for keeps.

*Confessions of an Undercover Agent Charlie Spillers* 2016-03-24 This true story of an ex-Marine who fought crime as an undercover cop, a narcotics agent, and finally a federal prosecutor spans a decade of crime fighting and narrow escapes. Charlie Spillers dealt with a remarkable variety of career criminals, including heroin traffickers, safecrackers, burglars, auto thieves, and members of Mafia and Mexican drug smuggling operations. In this riveting tale, the author recounts fascinating experiences and the creative methods he used to succeed and survive in a difficult and sometimes extremely dangerous underworld life. As a young officer with the Baton Rouge Police Department, ex-Marine Charlie Spillers first went undercover to infiltrate criminal groups to gather intelligence. Working alone and often unarmed, he constantly attempted to walk the thin line between triumph and disaster. When on the hunt, his closest associates were safecrackers, prostitutes, and burglars. His abilities propelled him into years of undercover work inside drug trafficking rings. But the longer he worked, the greater the risks. His final and perhaps most significant action in Baton Rouge was leading a battle against corruption in the police department itself. After Baton Rouge, he joined the Mississippi Bureau of Narcotics and for the next five years continued working undercover, from the Gulf Coast to Memphis; and from New Orleans to Houston, Texas. He capped off a unique career by becoming a federal prosecutor and the justice attaché for Iraq. In this book, he shares his most intriguing exploits and exciting undercover stings, putting readers in the middle of the action.

*The President's Book of Secrets* David Priess 2016-03-01 Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

The Coincidence of Coconut Cake Amy E. Reichert 2015-07-21 You've Got Mail meets How to Eat a Cupcake in this delightful novel about a talented chef and the food critic who brings down her restaurant—whose chance meeting turns into a delectable romance of mistaken identities. In downtown Milwaukee, Wisconsin, Lou works tirelessly to build her beloved yet struggling French restaurant, Luella's, into a success. She cheerfully balances her demanding business and even more demanding fiancé...until the morning she discovers him in the buff—with an intern. Witty yet gruff British transplant Al is keeping himself employed and entertained by writing scathing reviews of local restaurants in the Milwaukee newspaper under a pseudonym. When an anonymous tip sends him to Luella's, little does he know he's arrived on the worst day of the chef's life. The review practically writes itself: underdone fish, scorched sauce, distracted service—he unleashes his worst. The day that Al's mean-spirited review of Luella's runs, the two cross paths in a pub: Lou drowning her sorrows, and Al celebrating his latest publication. As they chat, Al playfully challenges Lou to show him the best of Milwaukee and she's game—but only if they never discuss work, which Al readily agrees to. As they explore the city's local delicacies and their mutual attraction, Lou's restaurant faces closure, while Al's column gains popularity. It's only a matter of time before the two fall in love...but when the truth comes out, can Lou overlook the past to chase her future? Set in the lovely, quirky heart of Wisconsin, *The Coincidence of Coconut Cake* is a charming love story of misunderstandings, mistaken identity, and the power of food to bring two people together. And don't forget to check out Amy E. Reichert's fun new novel *The Simplicity of Cider*, available now!

Catalina Eddy Daniel Pyne 2017-03-07 "Daniel Pyne flips all the standards upside-down with *Catalina Eddy* and in the process delivers a classic California noir – times three. This is Pyne's masterpiece. I guarantee no reader will go wanting." –Michael Connelly Times may change, but crimes never do, and neither do the people who investigate them. A collection of three loosely connected crime novellas, each set in a distinct era, *Catalina Eddy* is a gritty, hard-boiled exploration into the immutable police underworld of Southern California. In *The Big Empty*, an obstinate Los Angeles detective investigates the murder of his estranged wife while fears of nuclear war and Communism grip the nation; in *Losertown*, a mid-career attorney in San Diego chases down a legendary drug kingpin but chafes against the Reagan Revolution policies of his new boss; and in *Portuguese Bend*, set in the present day, an undercover cop is paralyzed in a gunfight but determined to solve what may be her last case as a police officer in Long Beach. They are all, in one way or another, stuck in dreary endless loops of love, murder, and the quest for clarity, release, and redemption. Reminiscent of James Ellroy's grittiness and Raymond Chandler's dark wit, *Catalina Eddy* is Daniel Pyne's clever homage to—and skillful deconstruction of—traditional noir storytelling. Moody, enthralling, and keenly imagined, *Catalina Eddy* evokes the characters and ambiance of a singular, peculiar

landscape with cinematic flair.
