**A Deadly Grind** Victoria Hamilton 2012-05-01 A Hoosier to die for? When vintage cookware and cookbook collector Jaymie Leighton spies an original 1920s Hoosier brand kitchen cabinet at an estate auction, it's love at first sight. Despite the protests of her sister that the 19th-century yellow-brick house they share in Michigan is already too cluttered with Jaymie's "junk," she successfully outbids the other buyers and triumphantly takes home her Hoosier. But that night on the summer porch where they've left the Hoosier to be cleaned up, a man is murdered, struck on the head with the steel meat grinder that is part of the cabinet. Who is this stranger—and what was he doing on their porch? Does his death have anything to do with the Hoosier? As the police struggle to determine the man's identity, Jaymie can't help doing a little digging on her own, accompanied by her three-legged Yorkie Poo, Hopalong. But in her bid to uncover the truth about the hidden secrets of the Hoosier, Jaymie may be the one who ends up going, going...gone.

*Literally Dead* Eryn Scott 2017-10-12 To solve or not to solve? When a visiting professor is found dead, English major Pepper Brooks is caught in the middle of the investigation. Literally. While the detectives focus on crime scene forensics, Pepper can't ignore the Shakespearian clues left by the killer. With the help of a handsome library clerk, a dog named Hamburger, and The Bard himself, this unlikely sleuth might just close the book on this case. Readers, this is the first in a literary-themed cozy series. If you love classic literature, feel like there's nothing better than the smell of books, see a library as a place of solace, and don't mind an adorable puppy named Hammy hanging around, you're going to love these books. And if Shakespeare's not your jam, no worries, each book will feature a different classic author. ;) Happy reading!

**Fahrenheit 451** Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

*The Cat Sitter and the Canary* John Clement 2016-12-20 "This time out, Dixie's got a furry partner-in-crime, an irascible Lhasa Apso named Charlie. They've just arrived at the home of one of Dixie's regular clients to check in on Franklin, a mackerel tabby with avocado-green eyes and a luxuriant coat the color of dried beach grass. Despite a couple of bumps in the road (Franklin seems to be hiding in one of his favorite cubby holes, and Charlie scratches up the parlor door trying to get to the other side), everything else is perfectly normal. That is, until the next day, when Dixie discovers a dead body on the other side of that parlor door, along with a note that seems to suggest she had something to do with it. Soon, there's another victim, and then another note, and Dixie quickly finds herself caught in a maze of mystery and danger, where all the clues have her name written all over them, and where she must find the murderer. . . before he finds her"--

*Psychic Intuition* Nancy du Tertre 2012-08-22 Author Nancy du Tertre, "the Skeptical Psychic™," takes you on a journey to find the answer to these questions and more in *Psychic Intuition*. She became psychic in mid-life after years of intensive study and training, and is now a believer that everyone has the potential to tap into their intuition and understand the world at a deeper level. *Psychic Intuition* bridges the gap between skeptics who can analyze but don't experience psychic phenomena, and believers who have the experiences but lack the ability to analyze. This book explains, for the first time, how psychic ability works in the brain.

*The Cat Sitter's Whiskers* Blaize Clement 2015-03-31 Rendered unconscious by a housebreaker while caring for a mischievous Maine coon cat, Florida cat sitter Dixie Hemingway is baffled to discover that none of the house's considerable valuables have been stolen, in a case that ensnares her in the world of black-market antiques. By the author of *The Cat Sitter's Cradle*.

**Cat Sitter on a Hot Tin Roof** Blaize Clement 2009-01-06 *Curiosity Killed the Cat Sitter* introduced a winning sleuth in Florida pet sitter Dixie Hemingway, and the next books in the series, *Duplicity Dogged the Dachshund* and *Even Cat Sitters Get the Blues*, firmly established author Blaize Clement as a new star amongst mystery fans. Now Dixie Hemingway, no relation to you-know-who, is back in this fourth riveting installment. When Dixie meets Laura Halston, a newcomer to Siesta Key, she recognizes a kindred spirit and believes she's found a new friend. Disarmingly beautiful, Laura confesses that she's in hiding from an abusive husband. Later, when Laura receives threatening phone calls, Dixie is certain the husband is the culprit. But the more Dixie learns about Laura, the less certain she is about anything...and then matters turn deadly. As she tries to understand Laura's past, Dixie is forced to acknowledge things about herself that she has never faced before. Fast-paced and gripping, *Cat Sitter on a Hot Tin Roof* is everything Blaize Clement's many fans have come to expect.

*Cat Sitter Among the Pigeons* Blaize Clement 2011-01-04 Author Blaize Clement has earned herself a legion of fans with the

first five books in her pet-sitting mystery series. Now Blaize's beloved heroine, Dixie Hemingway, is back, and when Dixie's latest assignment turns dangerous, it's up to her to save the day. Dixie, no relation to you-know-who, is helping an injured and cantankerous man take care of Cheddar, his orange shorthair cat. Soon Dixie finds herself totally smitten with the man's adorable infant great-granddaughter. But the baby's naive young mother has enough knowledge about certain powerful local big-money honchos to send them to prison for life, and they are willing to do anything, even kill her baby, to shut her up. Caught in the turmoil caused by the grandfather's prickly pride, the granddaughter's misguided plans to regain her young husband's respect by telling the truth in court, and the ruthless determination of wealthy villains to preserve their ill-gotten millions, Dixie is the only person who can rescue the baby. And she has to do it without letting law-enforcement people know -- not even Lieutenant Guidry, with whom she has a new romantic relationship. Does Dixie have her claws sunk too deep to make it out of this one? Find out in book six of Blaize Clement's splendid series.

**The Texture of Memory** James Edward Young 1994-01-01 Dotyczy m. in. Polski.

**The Cat Sitter's Nine Lives** Blaize Clement 2014-07-08 Plucky heroine Dixie Hemingway is back in this ninth installment of Blaize Clement's beloved cozy mystery series. While driving along the beachside road that runs through the center of her hometown Dixie witnesses a terrible head-on collision. Ever the hero, she springs into action and pulls one of the drivers from his car just before it explodes in flames. A little shaken but none the worse for wear, Dixie proceeds to her local bookstore where she meets Cosmo, a fluffy, orange tomcat, and Mr. Hoskins, the store's kind but strangely befuddled owner. The next day the driver whose life she saved claims that he is Dixie's husband. Meanwhile, both Cosmo and Mr. Hoskins have disappeared without a trace, and a mysterious phone call from a new client lures her to a crumbling, abandoned mansion on the outskirts of town. Soon Dixie finds herself locked in a riddle of deception, revenge, murder, and mystery. The Cat Sitter's Nine Lives features a compelling main character and a riveting plot that is bound to satisfy the appetites of Dixie Hemingway fans and newcomers to the series.

**Guns** Rachel Ellenberg Schulson 1997 Describes different kinds of guns, explains how they are used, warns of possible dangers they present, and spells out simple rules to ensure gun safety.

**Even Cat Sitters Get the Blues** Blaize Clement 2010-04-01 Dixie Hemingway has a knack for being in the wrong place at the wrong time. The day she happens upon the dead body outside a fancy mansion is no different. She's had her fill of homicide investigations, so she leaves the gate-keeper's corpse to be found by somebody else. Unfortunately, that somebody else sees Dixie leaving the scene of the crime, and the fatal bullet might have even come from her own gun! To make matters worse, the owner of the mansion is Dixie's new client—a scientist who is either a genius, insane, or both—whose pet iguana is under her charge. All that, plus a feisty calico kitten that needs some TLC, means that time is running out for Dixie to catnip this case in the bud... and collar the killer.

*The Language Instinct* Steven Pinker 2010-12-14 The classic book on the development of human language by the world's leading expert on language and the mind. In this classic, the world's expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. The Language Instinct received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of language since *The Language Instinct* was first published.

**Holding Back The Tears** Annie Mitchell 2013-09-16 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of

different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

**A Leg to Stand On** Timothy McHenry 2012-11-05 When Tim McHenry first set eyes on Dixie, he sensed that his life would never be quite the same. Dixie had been hit by a car which resulted in the loss of her left front leg. She was given a second chance thanks to the compassion of a shelter director and the skill of a generous veterinarian. Tim adopted Dixie. Her rehabilitation became Tim's responsibility. Little did he know that he would be the one who would soon need rescuing. Together, Tim and Dixie discovered that their extraordinary love would ultimately lead them on a path to redemption and give them both a leg to stand on.

*The Cat Sitter's Pajamas* Blaize Clement 2012-01-03 Hired by a famous football player to pet-sit his cats, Dixie meets a celebrity fashion model who claims to be the athlete's wife, a situation that culminates in Dixie's discovery of a ring of high-fashion counterfeiters. By the author of *Raining Cat Sitters and Dogs*.

*Midnight in the Garden of Good and Evil* John Berendt 2010-05-12 NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

**Raining Cat Sitters and Dogs** Blaize Clement 2010-12-28 Despite the efforts of Dixie Hemingway's on-again, off-again boyfriend to find a missing girl who may be a witness to a murder, Dixie finds that she must work alone to confront criminals who will stop at nothing.

**The Cat Sitter's Cradle** John Clement 2014-06-03 Spotting an exotic bird far from its indigenous habitat, pet sitter Dixie Hemingway uncovers sinister forces behind the bird's displacement before a client is murdered and a new friend goes missing with her baby.

**Meet Isabel Puddles** M. Byrne 2020 "To the tourists and summer residents, Kentwater County is a picturesque community of small-town charm, fruitful farmland, and gorgeous freshwater beaches. To middle-aged widow Isabel Puddles, it's where she enjoys breakfast every morning at a local café with her childhood best friend and spends her evenings cozying up with a good book and her devoted Jack Terrier, Jackpot. In between, Isabel makes ends meet through a variety of trades - preserving pickles, baking pies, working the counter at her cousin's hardware shop, and occasionally helping "fix-up" the hair of corpses at the local funeral parlor. When Isabel discovers a two-inch nail embedded in the skull of Earl Jonasson, it seems the octogenarian may not have died of a stroke. His son is quickly arrested when his alibi doesn't check out. But Isabel has known Earl Jr. since they were kids and can't believe he'd murder his own father, regardless of his financial difficulties. As gossip about Earl Sr.'s land and insurance policy money starts to spread around the county, Isabel finds herself conducting her own investigation to clear her friend's name." --Publisher.

**The Cat Sitter's Cradle** John Clement 2013-07-09 Blaize Clement won fans all over the world with the charm and wit of her pet-sitting mysteries. Now, with the help of her son, author John Clement, Blaize's beloved heroine Dixie Hemingway is back for yet another thrilling adventure in this critically-acclaimed series. Dixie has built a nice, quiet life for herself in the sleepy town of Siesta Key, a sandy resort island off the coast of Florida. In fact, her pet-sitting business is going so well she's even taken on part-time help: Kenny, a handsome young surfer who lives alone in a rickety old houseboat. But things get a little messy when, on an early morning walk in the park with a client's schnauzer, Dixie makes a shocking discovery. Hidden among the leafy brambles is a homeless girl, alone and afraid, cradling a newborn baby in her arms. Dixie takes the young girl under her wing, even though she's just been hired by Roy Harwick, the snarky executive of a multi-national oil company, to care for his equally snarky Siamese cat, Charlotte, along with his wife's priceless collection of rare, tropical fish. It's not long before Dixie stumbles upon a dead body in the unlikeliest of places, and soon she's set adrift in a murky and dangerous world in which no one is who they appear to be. Smart, fast-paced and entertaining, *The Cat Sitter's Cradle* is a perfect illustration of

why Dixie's loyal fans have come to know and love her and eagerly await the next installment of her adventures.

**Albion's Seed** David Hackett Fischer 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

**Duplicity Dogged the Dachshund** Blaize Clement 2007-10-30 Waving to the driver of a car that speeds by during her morning run with her dachshund Mame, Dixie Hemingway suddenly realizes that she accidentally waved to a killer when she and Mame stumble upon a corpse and that the killer may believe that she can identify him or her. By the author of *Curiosity Killed the Cat Sitter*. Reprint.

*Curiosity Killed the Cat Sitter* Blaize Clement 2007-01-02 Until three years ago, Dixie Hemingway was a deputy with the Sarasota County Sheriff's Department in southwest Florida. Then came a tragic accident. Now Dixie's a pet-sitter on Siesta Key, a lush, exotic barrier island where the people tend to be rich, suntanned, and tolerant of one another's quirks. As Dixie tried to get her life back in order, pet-sitting is the perfect job. She goes into people's homes while they're gone and takes care of their pets; she likes the animals, they like her, and she doesn't have to deal with people very much. She especially does not have to be afraid that she'll run into a situation that will cause her to lose her hard-won composure. But when Dixie finds a man bizarrely drowned in a cat's water bowl, she is drawn into a tangled web of danger and secrets. Unbeknownst to Lieutenant Guidry, the homicide detective handling the murder, Dixie begins her own investigation into the whereabouts of the cat's owner, who has now vanished. Fans of *The Cat Who...* book series by Lilian Jackson Braun will adore this riveting new pet-oriented sleuth and will eagerly await Dixie's next case: Will duplicity dog the dachshund?

*Dixie Be Damned* Neal Shirley 2015-05-11 In 1891, when coal companies in eastern Tennessee brought in cheap convict labor to take over their jobs, workers responded by storming the stockades, freeing the prisoners, and loading them onto freight trains. Over the next year, tactics escalated to include burning company property and looting company stores. This was one of the largest insurrections in US working-class history. It happened at the same time as the widely publicized northern labor war in Homestead, Pennsylvania. And it was largely ignored, then and now. *Dixie Be Damned* engages seven similarly "hidden" insurrectionary episodes in Southern history to demonstrate the region's long arc of revolt. Countering images of the South as pacified and conservative, this adventurous retelling presents history in the rough. Not the image of the South many expect, this is the South of maroon rebellion, wildcat strikes, and Robert F. Williams's book *Negroes with Guns*, a South where the dispossessed refuse to quietly suffer their fate. This is people's history at its best: slave revolts, multiracial banditry, labor battles, prison uprisings, urban riots, and more. Neal Shirley grew up in Winston-Salem, North Carolina, and now lives in Durham, NC, where he is involved in several anti-prison initiatives and runs a small publishing project called the North Carolina Piece Corps. Saralee Stafford was born in the Piedmont of North Carolina. Her recent political work has focused on connecting the struggles of street organizations with those of anarchists in the area. She teaches gender-related health in Durham, North Carolina.

*A Diary from Dixie* Mary Boykin Miller Chesnut 1905 This book is the author's Civil War diary from February 18, 1861, to June 26, 1865. She was an eyewitness to many historic events as she accompanied her husband to significant sites of the Civil War.

*The Photographer* Mary Dixie Carter 2021-05-25 Mary Dixie Carter's *The Photographer* is a slyly observed, suspenseful story of envy and obsession, told in the mesmerizing, irresistible voice of a character who will make you doubt that seeing is ever believing. "A breathless psychological thriller about epic mind games."—PEOPLE A Publishers Weekly Best Mystery/Thriller of 2021! WHEN PERFECT IMAGES As a photographer, Delta Dawn observes the seemingly perfect lives of New York City's elite: snapping photos of their children's birthday parties, transforming images of stiff hugs and tearstained faces into visions of pure joy, and creating moments these parents long for. *Cold Snap* Codi Schneider 2021-09-12 Tucked in the cold Colorado mountains lies the remote village of Gray Birch, a place where outsiders are frowned upon. In this village lives a cat named Bijou. But she’s no ordinary house cat; her ancestors were mousers on Viking longships, and their blood runs through her veins. Since her battle skills are hardly needed in this modern age, however, she spends her energies running the Fox Burrow Pet Inn with her human, Spencer, and her assistant, Skunk, a mentally negligible Pomeranian. Together, the happy trio has created a safe haven for their four-legged guests. But when Eddy Line, a handsome baker from California, comes to the inn—along with his piglet and pit bull puppy—everything changes. Spencer falls for Eddy, Bijou is unhappy with the sudden changes to her clan, and the townspeople are anything but welcoming; in fact, threats are made against Eddy when he buys the town’s historic firehouse in order to open a bakery. Then a shocking murder/dognapping occurs on the night of the bakery’s grand opening, and Bijou finds herself thrust into a tangled mystery. To solve it, she will have to summon her inner Viking—and fight tooth and claw for her new clan.

*Sarah* Robert Gottlieb 2010-09-21 Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.
