Breaking Cover Kaje Harper 2011-07 For homicide detective Mac, it's been a good year. Having Tony to go home to makes him a better cop and a better person. For Tony, it's been hard being in love with a man he can't touch in public. Evasions and outright lying to friends and family take a little of the shine off his relationship with Mac, but Tony is determined to make it work. As the Minneapolis Police Department moves into a hot, humid summer, Mac is faced with a different challenge. A killer has murdered two blond women, and the police have no real clues. Mac hates to think that another murder may be the only way they'll make progress with the case. But when that murder happens, it hits close to home for Tony. And suddenly Mac faces an ultimatum: come out into the sunlight and stand beside Tony as his lover, or walk away and live without a piece of his heart.

Beset by Demons Kaje Harper 2022-02-22 They'll take a leap into the unknown to protect the world. There's something seriously wrong with Earth's magic. A demon has appeared unsummoned out of thin air, familiars can't return Home, and as Grim points out, rats smell like summer in the middle of winter. Grim and Pip can deal with rats; Silas can banish one wayward demon. But soon there are other demons, more each day, and Silas's old mansion is full of mysteries. He and Darien will need their familiars, their friends, plus a whole lot of luck, as they search beyond Earth for the dark forces that have changed their world. And to have any chance of getting safely home, Silas will have to confront a past he's avoided for ten long years.

The Great Realization Tomos Roberts (Tomfoolery) 2020-09-01 Selected by Today as a book "to ease kids' anxiety about coronavirus." We all need hope. Humans have an extraordinary capacity to battle through adversity, but only if they have something to cling onto: a belief or hope that maybe, one day, things will be better. This idea sparked The Great Realization. Sharing the truths we may find hard to tell but also celebrating the things—from simple acts of kindness and finding joy in everyday activities, to the creativity within us all—that have brought us together during lockdown, it gives us hope in this time of global crisis. Written for his younger brother and sister in response to the Covid-19 pandemic, Tomos Roberts's heartfelt poem is as timely as it is timeless. Its message of hope and resilience, of rebirth and renewal, has captured the hearts of children and adults all over the globe—and the glimpse it offers of a fairer, kinder, more sustainable world continues to inspire thousands every day. With Tomos Roberts's heartfelt poem and beautiful illustrations by award-winning artist Nomoco, The Great Realization is a profound work, at once striking and reassuring, reminding readers young and old that in the face of adversity there are still dreams to be dreamt and kindnesses to be shared and hope. There is still hope. We now call it The Great Realization and, yes, since then there have been many. But that's the story of how it started . . . and why hindsight's 2020.

12 Rules for Life Jordan B. Peterson 2018 "What does everyone in the modern world need to know? [The author's] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life"--

Sparring Partners John Grisham 2022-05-31 #1 NEW YORK TIMES BESTSELLER • John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several surprises in store.

"Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigrance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he's leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The "Sparring Partners" are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.

Unexpected Demands Kaje Harper 2021-02-25 He'd rather fight enemy wolves and rogue humans than face his own heart. When Aaron took down a violent, power-crazed wolf and inherited half a pack, he knew being Alpha wasn't going to be easy. A week later, he's finding out what an understatement that was. Other werewolves are calling for the extermination of his pack's gay wolf, or for Aaron's own death, and the risk of exposure to humans is growing. Aaron can't afford to let his long-suppressed sexuality escape his rigid control. When one of his younger wolves is in trouble, it's simply Aaron's job as Alpha to help and protect him. But keeping a cool distance from a young man who appeals to all his senses could be Aaron's toughest challenge.

Powered by Ghosts Kaje Harper 2020-11-15 An untrained sorcerer and a reclusive necromancer face a ghost-infested town. Darien is free of his dead invaders, and his eyes have opened to a new reality. In a world of sorcerers and necromancers, he's full of power and potential, but completely ignorant. Necromancer Silas, and Silas's cat familiar, Grim, are teaching him basic skills, but danger won't hold off, just because he's not ready. Silas never planned to share his life with anyone, but after a week of shared battles and shared nights, Darien has become a fixture in his home. Silas has never met anyone with more raw magical ability, or less idea what to do with it. When Silas is offered a job hunting ghosts, he's tempted to refill his depleted bank account, but reluctant to bring untrained Darien along. Darien's eager to help, though, and eventually Silas gives in. It's just a few ghosts. Nothing he hasn't handled before. What could go wrong?

The 1619 Project Nikole Hannah-Jones 2021-11-16 #1 NEW YORK TIMES BESTSELLER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *NPR*, *Esquire*, *Marie Claire*, *Electric Lit*, *Ms. magazine*, *Kirkus Reviews*, *Booklist* In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. *The New York Times Magazine's* award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. ALEC Kaje Harper 2022-09-13 *Coming back from loss, one heartbeat at a time. Alec ran from his grief over the death of his son, throwing a few things in his car and driving west. In the town of Gaynor Beach, CA, he hit the shore and stopped. The next step would be off a broken pier into the ocean and although he stands daily watching the waves, he's not quite ready for that. Especially when a young voice like his son's, behind him, says, "Hey, Mister, you wanna see a picture of an albatross?" Joe brought his preteen son to Gaynor Beach, looking for a better place to raise his kid. Kevin loves California—the beaches, the marine life, the weather, and the freedom. But when Joe finds out Kevin's "ghost down by the pier" is a living, grieving, and much too appealing man, this simple new life is about to change, for all of them. * hurt-comfort, single dad, grief and recovery, sweet rescue dog, bright preteen, HEA* *The books in the Single Dads of Gaynor Beach series stand alone, but why not check them all out and meet the wide range of complicated, wonderful men raising kids in this fictional California town.*

Trapped by Greed Kaje Harper 2021-07-29 *Silas Thornwood's worst nightmare has come to life. Darien's familiar Pip is gravely injured, and Darien and Jasper have been kidnapped. Someone ruthless and violent is holding the man Silas loves prisoner, for purposes he doesn't want to imagine. Silas needs help from his friends to locate and rescue Darien. And when he does, those responsible? whether sorcerer, human, or demon? are going to be truly, utterly sorry...*

It Wasn't Meant to Be Like This Lisa Wilkinson 2021-11-01 The long-awaited autobiography from one of Australia's most popular, much-loved and enduring media stars, Lisa Wilkinson. Lisa Wilkinson has lived much of her life in the public eye. One of Australia's most respected journalists and media personalities, her warm, intelligent and elegant presence has graced our television screens for many years, where she has shared, shaped and even shifted many important national conversations. But it all could have been so different ... Subjected to horrific bullying as a teenager, Lisa survived by making herself as small as possible. But she swore when she left school that no one was ever again going to determine who she was - or limit what she was capable of. That determination and drive led to Lisa blazing an unprecedented and enormously successful trail through the Australian media and cultural landscape for more than four decades. An early ground-breaking career in publishing - at 21, Lisa was the youngest editor ever appointed to take charge of a national magazine, Dolly, before spending ten years as editor of the iconic Cleo magazine - then led to a stunning television success story. This included spending more than a decade as co-host of the Nine Network's Today show, before she caused a media storm across Australia and the world on the issue of the gender pay gap, when she moved to the Ten Network as co-host of its prime-time award-winning program The Project. ***It Wasn't Meant to Be Like This*** is the story of how a young girl from Sydney's western suburbs came to be such a force in Australian cultural life. It is a story that is honest, funny, engaging - and powerfully inspirational. 'Told with humour and a 'did this really happen to me' relatability ... generous and gracious' The Daily Telegraph

Japanese Home Cooking Sonoko Sakai 2019-11-19 The essential guide to Japanese home cooking—the ingredients, techniques, and over 100 recipes—for seasoned cooks and beginners who are craving authentic Japanese flavors. Using high-quality, seasonal ingredients in simple preparations, Sonoko Sakai offers recipes with a gentle voice and a passion for authentic Japanese cooking. Beginning with the pantry, the flavors of this cuisine are explored alongside fundamental recipes, such as dashi and pickles, and traditional techniques, like making noodles and properly cooking rice. Use these building blocks to cook an abundance of everyday recipes with dishes like Grilled Onigiri (rice balls) and Japanese Chicken Curry. From there, the book expands into an exploration of dishes organized by breakfast; vegetables and grains; meat; fish; noodles, dumplings, and savory pancakes; and sweets and beverages. With classic dishes like Kenchin-jiru (Hearty Vegetable Soup with Sobagaki Buckwheat Dumplings), Temaki Zushi (Sushi Hand Rolls), and Oden (Vegetable, Seafood, and Meat Hot Pot) to more inventive dishes like Mochi Waffles with Tatsuta (Fried Chicken) and Maple Yuzu Kosho, First Garden Soba Salad with Lemon-White Miso Vinaigrette, and Amazake (Fermented Rice Drink) Ice Pops with Pickled Cherry Blossoms this is a rich guide to Japanese home cooking. Featuring stunning photographs by Rick Poon, the book also includes stories of food purveyors in California and Japan. This is a generous and authoritative book that will appeal to home cooks of all levels.

Deliverance Dakota Banks 2012-03-27 “A gut-kick of a read, with non-stop action and as inventive a world as I’ve ever seen.” —Vicki Pettersson, New York Times bestselling author of the Signs of the Zodiac series “Great characters who jump from the page; a smart, layered plot, and pacing that screams. This is the kind of book that makes you look forward to a rainy day.” —John Gilstrap, author of Nathan’s Run “Readers...will devour Banks’s clever and compelling Mortal Path series. Assassins, demons, and danger, oh my!” —Lisa Gardner, #1 New York Times bestselling author of Love You More Dakota Banks has taken the supernatural thriller and given it a breathtaking new twist! Deliverance is the third book in Banks’s relentlessly exciting urban fantasy series, Mortal Path, featuring heroine Maliha Crayne, once a demon’s henchwoman and paranormal assassin now determined to atone for her centuries of murderous acts. A cross between Tomb Raider’s Lara Croft and Marvel Comics’s Elektra, Maliha finds her powers are rapidly fading in Deliverance, and discovers that her quest to avoid eternal damnation has put those she loves most in gravest peril. Banks’s Deliverance delivers suspense and edge-of-your-

seat adventure—a non-stop paranormal roller coaster ride that fans of Jeaneane Frost, James Rollins, Vicki Pettersson, and Indiana Jones, won't want to miss.

Marked by Death Kaje Harper 2020-10-23 Asking a necromancer for help is scary; falling for him may be downright terrifying. Darien Green's afraid he's going insane. The voices in his head are getting louder, weirder, and more numerous. But tattoos appearing on his skin say that there might be a magical reason, something other than his own brain going around the bend. He's worked up the nerve to ask the local necromancer for help. Now he just has to survive his encounter with tall, dark, and talks-to-ghosts. Necromancer Silas Thornwood doesn't appreciate being woken out of his bed by a stranger pounding on his door. But when that stranger turns out to be a half-frozen young man with an unexpected appeal, Silas can't turn him away. Even Grim, his cat-familiar, agrees— in a world of death and demons, protecting gorgeous, ghost-ridden Darien is Silas's next difficult job.

Changes Coming Down Kaje Harper 2019-12-03 For three gay men in love, opening the closet door could be a risky move. Sheriff Casey Barlow has a slick, media-savvy challenger out to beat him in the upcoming election. Casey's damned good at his job, but he hasn't kissed the right asses, and early polls suggest voters like his opponent's style. Coming out now, let alone revealing his relationship with two men, could sink any hope of keeping his badge. Scott Edison has a real shot at the NHL. He's playing the best hockey of his life. Whenever he can, he travels home to his gruff sheriff and their laid-back cowboy, but there are no out gay players in the NHL. As a rookie working his ass off to be called up, he can't afford to make waves. Will Rice always figured he'd live alone, managing Graham and Annmarie Slater's cattle ranch, but a hot, young hockey player and a compact, muscled lawman rearranged his plans. Even though he's older and lanky and ordinary, he's been sharing their lives and their beds. He doesn't need to be out-- isn't sure he ever wants the Slaters to know about him. Life's good the way things are. Then Graham and Annmarie are killed in a hit and run that may not be an accident. As Will grieves, and Casey investigates, the coming changes will shake all their lives. ** this is a re-edit and expansion of the story in the "Hunting Under Covers" anthology

The Golden House Salman Rushdie 2017-09-05 NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

Unjustified Claims Kaje Harper 2021-04-06 His pack would've killed him for his kinks and desires, but his human lover might destroy his wolf. Brandt Davis loved being part of his Michigan werewolf pack, until they found his stash of gay porn. He escaped their anger, running in wolf-form into the wilderness, but he can't live that way forever. And he can't hide in fur like a coward when an injured man needs his help. Ethan Sjulstad knows life is making him crazy when a solo hike into the Minnesota Boundary Waters seems reasonable. Then a bad fall leaves him seriously hurt and facing death. Delirious, he hallucinates being rescued by a big gray wolf and a naked woodland godling. For a man who has always loved fantasy, it's worth surviving just to find out what the hell is going on. (This is a lightly edited rerelease of the 2014 original.)

The Rebuilding Year Kaje Harper 2017-09-29 Losing nearly everything leaves room in their lives to rebuild. A few excruciating minutes pinned under a burning beam cost Ryan Ward his job as a firefighter, the easy camaraderie of his coworkers, his current girlfriend, and damn near cost him his left leg. Giving up, though, wasn't an option. He fought and won the battle back to health, over a painful year. Now, choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he's falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It's nothing they can't learn to navigate, until life adds in unhappy teen kids, difficult family members, and mysterious deaths on campus. Rebuilding will be far from easy, even for two guys willing to open their minds, and hearts.

Home Work Kaje Harper 2012-10 Coming together as a family was supposed to make life happy-ever-after for Mac and Tony, but their two uprooted kids, demanding jobs, and a less than gay-friendly world don't seem to have gotten the message. Mac and Tony thought the hard part was over. They're together openly as a couple, sharing a home and building a life with their two children. It's what they dreamed of. But daughter Anna struggles with the changes, Ben is haunted by old secrets, Mac's job in Homicide still demands too much of his time, and Tony is caught in the middle. It's going to take everything these men can give to create a viable balance between home and work. Especially when the outside world seems determined to throw obstacles in their way.

Building Forever Kaje Harper 2019-08-29 Four years ago, Ryan and John decided they'd wait to get married until it came with full legal equality. Now, thanks to the Supreme Court, that historic moment has finally arrived. But three hundred miles separate Ryan's hectic residency from John's busy campus job. With a son in college, a daughter choosing her future, and a rambunctious Irish Setter needing attention, planning a wedding isn't simple. Of course, even the most perfect ceremony can't solve all their problems. What does it take to build forever?

Life Lessons Kaje Harper 2011-05 Tony Hart's life has been quiet lately. He has good friends and a rewarding teaching job. Then the murdered body of another teacher falls into the elevator at his feet, and Tony's life gets a little too exciting. Jared MacLean is a homicide detective, a widowed father, and deeply in the closet. But from the moment he meets Tony's blue eyes in that high school hallway, Mac can't help wanting this man in his life. However Mac isn't the only one with his eyes on Tony. As the murderer tries to cover his tracks, Mac has to work fast or lose Tony, permanently.

Picture-Book Professors Melissa Terras 2018-10-31 How is academia portrayed in children's literature? This Element ambitiously surveys fictional professors in texts marketed towards children, who are overwhelmingly white and male, tending to be elderly scientists. Professors fall into three stereotypes: the vehicle to explain scientific facts, the baffled genius, and the evil madman. By the late twentieth century, the stereotype of the male, mad, muddlehead, called Professor SomethingDumb, is formed in humorous yet pejorative fashion. This Element

provides a publishing history of the role of academics in children's literature, questioning the book culture which promotes the enforcement of stereotypes regarding intellectual expertise in children's media. This title is also available, with additional material, as Open Access.

Consumed by Fire Kaje Harper 2022-08-20 Sometimes you have to fight fire with fire. Darien's ready for a quiet life— back to studying, sleeping with his ridiculously appealing necromancer, playing magical Fetch with his dog. But breaking the demon portals was only a temporary solution, when there are sorcerers out there rebuilding them. Much as he'd like to shove the rest of the job on someone else, Darien's not willing to see his world burn. Silas is ready to turn the whole hunting-dark-sorcerers mess over to the Guild. Except he doesn't trust his council members as far as he can throw them, the sorcerer Chicago has sent sets his teeth on edge, and if they get it wrong, Darien's life is at risk. So with Grim at his side, and Pip encouraging Darien, they, Jasper, and Magda will take on one more hunt to find and stop the portal-builders.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Don't Plan to Stay Kaje Harper 2017-12-08 Donnie doesn't think he's worth a second chance. Adam does. At eighteen, Donnie Kagan's plans for graduation, and maybe even college, were derailed by a beer, a stoplight, and a fatal crash. Now he's twenty-four, out of prison, and bitterly determined to start over. But with the holidays approaching, he can't resist a quick trip home to Tallbridge, North Dakota, and the man he left behind. Just a fast look, to make sure Adam's doing all right, before Donnie starts his new life. He doesn't plan to stay. Adam Lindberg's been waiting six years to get closure with Donnie. He missed that chance after the accident, fighting for his life in a hospital bed as Donnie pled guilty and disappeared into the justice system. Adam's tried to move on, but he never found another guy he cared about the same way. So when Donnie shows up in Tallbridge, Adam's ready to fight for more than three words of goodbye. If Adam asks for Donnie's help with the family store, maybe he'll stay long enough to finally talk about the future, and the past.

Newjack Ted Conover 2010-01-20 Acclaimed journalist Ted Conover sets a new standard for bold, in-depth reporting in this first-hand account of life inside the penal system at Sing Sing. When Ted Conover's request to shadow a recruit at the New York State Corrections Officer Academy was denied, he decided to apply for a job as a prison officer himself. The result is an unprecedented work of eyewitness journalism: the account of Conover's year-long passage into storied Sing Sing prison as a rookie guard, or "newjack." As he struggles to become a good officer, Conover angers inmates, dodges blows, and attempts, in the face of overwhelming odds, to balance decency with toughness. Through his insights into the harsh culture of prison, the grueling and demeaning working conditions of the officers, and the unexpected ways the job encroaches on his own family life, we begin to see how our burgeoning prison system brutalizes everyone connected with it. An intimate portrait of a world few readers have ever experienced, Newjack is a haunting journey into a dark undercurrent of American life.

Life, Some Assembly Required Kaje Harper 2017-06-26 Finding love in the ashes was easy. Building a life together? Not so much. After spending the first part of his life chasing pretty girls, love has finally come to Ryan in the form of John, a tall, lanky, red-headed landscape architect with wide shoulders and a five-o'clock shadow. For the first time in Ryan's life, love

feels easy. Hell, he even ran into a burning building for John and his son, and he'd do it again if he had to. But telling his father and brothers and classmates "I'm gay. I've met a man"? That's going to take nerve of a different kind. For John, loving Ryan is as natural as breathing. Now if only the rest of his life would fall into place. Dealing with his teen son is complicated enough, but with his ex-wife causing trouble and his daughter wanting to move in, John's house—and his relationship with Ryan— threaten to split at the seams. Is one month without a new surprise knocking him upside the heart really too much to ask? Unfortunately, the answer seems to be Yes. (This is a re-release of the 2015 Samhain novel, with only minor editing.)

A Curse So Dark and Lonely Brigid Kemmerer 2019-01-29 A New York Times bestseller! "Has everything you'd want in a retelling of a classic fairy tale." - Jodi Picoult, New York Times bestselling author of A Spark of Light and Small Great Things "Absolutely spellbinding." - Stephanie Garber, #1 New York Times bestselling author of Caraval and Legendary In a lush, contemporary fantasy retelling of Beauty and the Beast, Brigid Kemmerer gives readers another compulsively readable romance perfect for fans of Marissa Meyer. Fall in love, break the curse. It once seemed so easy to Prince Rhen, the heir to Emberfall. Cursed by a powerful enchantress to repeat the autumn of his eighteenth year over and over, he knew he could be saved if a girl fell for him. But that was before he learned that at the end of each autumn, he would turn into a vicious beast hell-bent on destruction. That was before he destroyed his castle, his family, and every last shred of hope. Nothing has ever been easy for Harper. With her father long gone, her mother dying, and her brother barely holding their family together while constantly underestimating her because of her cerebral palsy, she learned to be tough enough to survive. But when she tries to save someone else on the streets of Washington, DC, she's instead somehow sucked into Rhen's cursed world. Break the curse, save the kingdom. A prince? A monster? A curse? Harper doesn't know where she is or what to believe. But as she spends time with Rhen in this enchanted land, she begins to understand what's at stake. And as Rhen realizes Harper is not just another girl to charm, his hope comes flooding back. But powerful forces are standing against Emberfall . . . and it will take more than a broken curse to save Harper, Rhen, and his people from utter ruin.

Now, choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he's falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It's nothing they can't learn to navigate, until life adds in unhappy teen kids, difficult family members, and mysterious deaths on campus. Rebuilding will be far from easy, even for two guys willing to open their minds, and hearts.**

***Unwanted Appeal* Kaje Harper 2021-03-16 Do strangers want to join Aaron's pack, or wipe it from the face of the earth? Aaron, Alpha of Minneapolis West, is tired of other werewolves threatening his pack for harboring a gay wolf and his mate. Werewolves have more important things to worry about, with humans closing in on discovering them. But the arrival of two strange wolves on his doorstep, asking for sanctuary, pits compassion against safety. Can he let these two in and still keep his pack and his mate Zach safe? Or is that a risk he can't afford to take? (34,000 words; This is a lightly edited re-release of the 2013 novella 2.5, renumbered to 3)**

Unplanned Coda Kaje Harper 2021-10-23 He'll get by with a little help from his mate. When Paul's long-buried past reaches out for him, having Simon at his back should make all the difference. The shy, studious teen who ditched his hometown is now a grown man with a good life, an honorable profession, and a werewolf boyfriend. So why is still so hard to go home? A new 37,000 word novella in the same time frame as book 6 in the Hidden Wolves series brings challenges, pain, love, and their HEA for our favorite guys. Content warning for assisted suicide.

Into Deep Waters Kaje Harper 2019-08-29 For Jacob and Daniel, two young gay men aboard a Navy ship in WWII, the risks were high. Not just the risks of injury and death from Japanese planes and submarines, but the risk of discovery, of discharge, imprisonment or worse. Only a special kind of love was worth taking that chance. But from the moment Daniel met Jacob's eyes across a battle-scarred deck, he knew he had to try. Being together required figuring out what it meant to be gay and in love with another man, in an era when they could be jailed or committed for admitting the desires of their hearts. On a ship at war, their relationship was measured in stolen moments and rare days of precious leave, with no guarantees there would be a tomorrow. And if they survived the war, they would need even more luck to keep their love alive through all the years to come.

Start Simple Lukas Volger 2020-02-18 From veteran food writer, recipe developer, and creator of the James Beard Award-winning Jarry magazine comes an innovative approach to vegetarian cooking. What have I got to eat? It's a question we ask every time we open up the refrigerator or pantry door. It might be eggs, some cheese, and half a loaf of bread, or a box of wilting greens, garlic, and some sweet potatoes. Though these ingredients may not seem like much to make a delicious meal, recipe developer and author Lukas Volger knows it's all you need. In *Start Simple* he offers a radically new, uncomplicated, and creative approach to cooking that allows you to use what you already have on hand to make great meals you didn't think were possible. Magic can happen with just a few ingredients: sweet potatoes, tortillas, eggs, cabbage, hearty greens, beans, winter squash, mushrooms, tofu, summer squash, and cauliflower. Volger advises readers to stock up on these eleven building blocks instead of shopping for a single recipe. A protein (tofu, beans, eggs) is a foundation. A crunchy garnish (cabbage, greens) is a finishing touch. Once these structural components of a meal are established, home chefs can throw in their own variations and favorite flavors—mixing, matching, and adding ingredients to customize their dishes. While *Start Simple* is a vegetarian cookbook—none of the recipes include meat—Volger's approach transcends categories. His methods aren't about subscribing to a specific dietary regimen; they are about simply recognizing and embracing the way people cook and eat today. Creating weekly meal plans based on intricate recipes sounds good, but it can be difficult to execute. Having a well-stocked pantry paired with a choose-you-own adventure guide to creating simple yet inventive meals is more practical for your average home cook.

Good to Great Jim Collins 2011-07-19 *The Challenge Built to Last*, the defining management

study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

Unsafe Exposure Kaje Harper 2021-04-27 Nothing wrecks a guy's day like finding out he's a werewolf. From the moment artist Dylan Shore arrives in Chicago, his life gets twisted like a kaleidoscope. Why does a street gang he's never met before want him dead? Why is a hot but odd mathematician stalking him? And how can half the things Alex Corwin says possibly be true, no matter how honest he seems? Alex has a frightening dilemma. Dylan is attractive, appealing, out and proud. He's also completely unaware that he's a werewolf. It shouldn't be Alex's job to tell him, and warn him that gay wolves usually end up dead. But someone has to, before he finds out in blood and violence. Chicago's not Alex's hometown, but somehow he needs to protect Dylan from the local packs, protect the wolves from being outed by Dylan, and keep his cool around the first man to touch his own deeply-closeted heart. (This is a lightly edited rerelease of the 2016 original.)

Unacceptable Risk Kaje Harper 2021-01-27 For a hidden shifter, falling in love with a man may be the death of them both. Simon Conley knows about being an outcast. Born into a secret werewolf pack, he's the lone gay wolf, an outsider even among his packmates. The top wolves consider him a perversion, a failure, and a security risk. To survive in the human world, werewolves rely on absolute secrecy, and any breaches of their code are dealt with swiftly— and violently. So when Simon falls in love with Paul, a human man, even his Alpha's grudging tolerance won't protect him. He must keep Paul from discovering the truth about him and the secrets the pack jealously guards, or it's not just their love that'll end up dead. (A rerelease of the 2012 novel with light editing and the 1.15 short story included)
