PMBOK Guide and PMP Exam Prep Book 2018-2019 Robert P. Nathan 2018-07-14 PROJECT MANAGERS: Are you ready to increase your marketability, network with other project managers, and improve your abilities to lead a project? Become a certified PMP with my efficient, easy-to-follow study guide book, PMBOK® Guide and PMP® Exam Prep Book 2018-2019: Study Guide on the Project Management Body of Knowledge with Practice Test Questions for the Project Management Professional Exam by Robert P. Nathan! As any project manager will tell you, time is the most valuable commodity in a project. Updated in line with the PMBOK Sixth Edition, my PMBOK Guide and PMP Exam Prep Book 2018-2019 is designed to make the most of the time you spend preparing for the exam. Rather than being hundreds of pages too long, the following chapters have gone through multiple stages of revision to include only those things that you need to know. The chapters have been designed to be readable, as well as to be easy to scan if you are flipping through. The structure of my book is based on project management's five major process groups: Chapter One: Initiation Chapter Two: Planning Chapter Three: Executing Chapter Four: Monitoring and Controlling Chapter Five: Closing Every chapter covers vital information on project management's ten knowledge areas: communication management, cost management, human resources management, integration management, procurement management, quality management, risk management, scope management, stakeholder management, and time management. Inputs, tools, techniques, and outputs (ITTOs) are organically written into the main text to show how they all fit together. The exam will test your understanding of best practices not memorization of lists. Included with every copy of my study guide is: Ten practice exam questions at the end of each chapter with answers and explanations A full two-hundred question practice exam with answers and explanations A full glossary of all tested terms Access to a FREE app with online flashcards of all tested terms Please note that PMBOK® is a registered trademark of PMI. PMI does not sponsor or endorse this book.

PMP® Exam Practice Test and Study Guide, Tenth Edition, 10th Edition Ginger Levin 2015 Continuing in the tradition of its bestselling predecessors, PMP ® Exam Practice Test and Study Guide, Tenth Edition uses self study to help readers increase their chances of passing the PMP ® certification exam the first time around. This tenth edition is up to date with the 2015 Examination Content Outline (ECO) published by the Project Management Institute (PMI ®), which is the blueprint for the exam. In addition to 600 practice test questions, this edition includes a new chapter on the five process domains. It supplies an overview of each knowledge area, a list of exam topics, and 40 multiple-choice questions for each of the ten knowledge areas presented in A Guide to the Project Management Body of Knowledge Fifth Edition (PMBOK ® Guide). As in previous editions, this edition provides a clearly written rationale for each correct answer, along with a supporting reference list. To help broaden your understanding of the concepts in the answer, this edition features an expanded rationale that discusses why a particular answer is correct, some study tips to consider, and in many cases, an explanation as to why the other answers are incorrect. For each answer, the authors supply references to the appropriate pages in the PMBOK ® Guide and the specific ECO domain and task. You will also find references to one or more of the five process groups: Initiating, Planning, Executing, Monitoring and Controlling, or Closing at the end of each rationale. The book features a 200-question online practice test that simulates the actual PMP ® exam. It also includes the authors' proprietary proficiency rating that will help you assess your strengths and weaknesses in each process domain so you can identify the areas where you require further study.

This thorough and up-to-date preparation aid includes: Tips and tricks for passing on your first attempt that you won't find in any other PMP study resource Comprehensive practice exams and refresher sections of all the main topics to be tested on the exam, including: People, Business, and Process Three full-length, 4-hour Mock Exams with over 200 questions (and solutions) each Over 800 Total Exam Questions Information on the PMP Exam process itself, its format, and what to expect on exam day Glossary of terms and definitions for easy and quick review Index to efficiently find the topics you're currently focusing on Praise & Reviews "This guide is a godsend to anyone who wants to pass the PMP exam. I've actually taken the course and quite frankly, the author is correct in stating that the exam is more about measuring whether or not the candidate understands the terminology as opposed to whether or not the individual is a proficient project manager. I plan on taking the exam at the end of the year. I will definitely use PMP(R) Questions, Answers and Explanations Updated for 2020-2021 Exam as my "go to" study guide. Thank you for making the information available." - J.L., ★★★★★ "This book was extremely useful and helpful. I feel much more prepared for the exam and I have a good idea of the kinds of questions that I will be asked now. I didn't try to memorize questions and answers, there are too many, but it did give me a great peek at what I need to study." - R.S., ★★★★★ About the Author As a certified Project Management Professional and recognized database and infrastructure expert, Darron Clark has over three decades of experience in implementing creative solutions and optimizing system performance for nationally-known organizations. In addition to Darron's technological savvy, he is a skilled teacher, coach, and presenter, and has developed and led numerous training seminars and workshops. Darron has earned degrees and certificates in PMP, EMBA, BSCS, and BSEET.
