Witch Hollow and the Wrong Spell DeBlind 2013-02-01 That spell was wrong! When three young witches, Electra, Cassandra, and Medea, decided to practice witchcraft, they had no idea what consequences the wrong spell could have. Ghosts that scare and an old witch with an eerie wail are their minor problems. Meanwhile, sixteen-year-old Eric O'Brian is sent to live in the small town of Witch Hollow as a punishment for his truancy and bad behavior. Shortly he finds out that the beautiful town full of colorful ravines, highlands, and dense forests, is not an ordinary one: flowers that whisper, a strange Old Curiosity Shop that steals the time, and a man coming to life on the Halloween night lead him to believe that Hollow is a mystical place inhabited by witches. After meeting mysterious girls and befriending them, Eric becomes a part of the world with time traveling, medieval bards, flying brooms, and a parallel reality. Then a murder happens in Hollow... Spells for the Solitary Witch Holland 2004-05-15 Written by the best-selling author of The Wiccan Handbook, Spells for the Solitary Witch is clear and easy to follow. Spells for the Solitary Witch explains how to prepare and cast spells 87 spells in a clear, step-by-step format. The materials needed for each spell and the incantations to say that will ensure the best results. Tailored to the needs of solitary practitioners, Holland suggests alternatives to hard-to-find ingredients, as well as directions about where to find specific ingredients crucial for success. "Solitary Witches," writes Holland, "are those who practice the Craft without a coven or other group. Some Witches are solitary because of circumstances, but the rest of us are solitary by choice...we feel no need to join a formal group. We like our independence and prefer the freedom to do things our own way..."

The Junior Witch's Handbook Nikki Van De Car 2020-06-02 An empowering guide for young witches about the kinds of magic they can create for themselves every day. Personal Magic Marion Weinstein 2021-02 "The author was one of the founders of modern-day witchcraft. This is her 'Book of Spells' what they used to call a grimoire, or 'Book of Spells.' It presents her personal approach to witchcraft, what she learned over decades of practicing magic, including: how to invoke the deities or spirit powers, the gods and goddesses that inhabit our world, pagan holidays, what they mean and how to honor them; working with moon power throughout its phases; a witch's toolkit of rituals for contacting one's ancestors, seeking protection from malevolent forces, and advanced manifestation practices; and an exploration of the principles of self-realization through witchcraft"

Spells Trouble E. C. Cast 2021-05-25 The first book in the *Sisters of Salem* trilogy about twin witches from the powerhouse town of Goodeville. Kristin Cast! Double double, twins spell trouble... Hunter and Mercy Goode are twin witches, direct descendants of the founders of the town of Goodeville. As their ancestors have done before them, it is now time for the twins to learn what it means to be Gatekeepers, protectors of the Gates to different underworlds, ancient portals between their world and realms where mythology rules and magic come to life. When their mother becomes the first victim in a string of murders, the devastated sisters vow to avenge her death. It will take more than magic to rein in the ancient mythological monsters who've infected their peaceful town. Now Hunter and Mercy must work together and accept their destiny or risk being separated for good.

Witchcraft, Demonology and Magic Marina Montesano 2020-05-20 Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to define in a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In modern civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Salem persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of *Religions* dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Modern and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics central to the research in those fields and fit well in the current "cumulative concept of Western witchcraft" that rules out simple causality theories, investigating a plurality of causes.

Patton Chamberlain 2020-01-22 Are you a Wiccan witch? Do you have trouble using the magic from the moon in your practice? Would you like to draw and develop as a witch more than you already have? Then this is the book for you. This book is useful for any Wiccan witch who wants to implement moon magic in practice because it explains the different phases of the moon and it shows how each phase can influence your life. It explains also the energy is associated with these phases and how they can be used in the manifestation of your desires. Aside from the phases of the moon, we also see the different rare magic moons. These include the Blood Moon, the blue moon, eclipse, solstice, and Equinox. Then the book goes into depth, explaining how our rituals are affected by different phases of the moon and it establishes that since the energies from these phases have different frequencies, therefore, not every ritual will work as expected. We see how to use the knowledge of the phases into the practice, which ritual will work at which time. The book shows the relation between the natural Elements and the moon. These elements are earth, water, air, and Fire, have specific energies and can influence the way a Wiccan practices. The energies associated with the moon are well explained, together with the influences these elements have in magic. There are several explanations that relate to the moon and other magical tools. You are also given information on grimoires. Grimoires are a vital part of the Wiccan practice. The book shows you how to create your own and explains why having it is useful in your Wiccan journey. This is the ideal book for witches who want to expand their Wiccan knowledge and include Lunar magic and their practice. Lunar magic is not very common among the majority of witches. This book is, therefore, necessary for you if you want to incorporate this type of magic in your given practice. You will see the importance of lunar magic and how it can affect your life. You see the different energies associating with it and how they can impact various aspects of life. By buying this book, you will benefit from having the knowledge of several aspects in Wiccan practice. You will learn How to create a Grimoire. The benefits of having a Grimoire. The relation between magical tools and the moon. Spells that can be cast during specific phases of the moon. Different rituals for different phases of the moon. The natural Elements and how they relate with moon magic. Deities in Wicca. The different magical moons. The different phases of the moons and the associating energies. Dorinda Wilde 2016-03-24 Meet the most powerful witches from around the world!. Learn about their lives, their legacy and their secrets and powerful spells. Witches have always worried, scared, and fascinated people in equal measure. From dark magic to home remedies, they have been part of the cultural landscape for people across the world. From Europe to the Americas, Asia to Africa, the idea of women who delve deep into magic has created some of the most enduring stories in the history of our world. Often, these stories blend the real with the unreal, truth with fiction, and magic with the mundane. In this book, we will look at the history of witches across the world and across many thousands of years. But witches are not always welcome. Often, they are feared. People who practice satanic practices and dark magic. Should a child fall sick, it is not uncommon for people to blame a local woman. Many have been accused of witchcraft throughout history and, sometimes, these people have been killed as a result. Sometimes, even the ruler of a country of dark magic can be enough to condemn a person to be burned at the stake. Throughout this book, we will look into the history of witchcraft as it has been practiced by people over the ages. Not only that, but we will look into some of the spells that they have used to increase their power. By studying their specific arts, we can better understand the scope and the power of witchcraft. Transform your life with The Spell Book for New Witches--made for the ever-growing [Wicca Book of Crystal Spells](#) Chamberlain 2017-12-06 Everything You Need to Know to Start Working With Magical Crystals Since the beginning of recorded history, people have revered the beauty and power of crystals and other mineral stones, incorporating them into religious artwork, weaponry, healing techniques and-of course-magic! From the quartz talismans of Egyptian pharaohs to Aztec ceremonial masks of turquoise, malachite and jade, these natural delights have been prized by cultures all around the globe. Practitioners of the magical arts use crystals for a variety of powerful workings related to health, wealth, love, protection, and more. Whether it's in the form of an elixir for imbuing confidence-promoting energies, a small polished stone placed with her in a sachet, or a favorite crystal emitting positive vibrations in your sacred space, crystals and other mineral stones are powerful and versatile tools of magic. In Crystal Magic, Wiccan author Lisa Chamberlain explores the many magical uses of these natural beauties and the underlying Universal forces that make it all work. But while this guide is written from the perspective of Wiccans and other practitioners, you need not consider yourself a Wiccan or a Witch to benefit from the magical power of crystals and stones. As you will see on these pages, the energies of these Earth creations are universal and can be harnessed by anyone, anytime. So whether you're new to crystals, or new to both, you'll find this guide to be an invaluable resource for your spiritual practice. Most books about crystals fall into one of two categories: encyclopedias and spell books. While there are some wonderfully comprehensive encyclopedias out there that describe the magical properties of hundreds of different crystals and stones, they tend to provide little or no information about using them in spellwork. Likewise, there are a few good practical books that focus on crystal-centered spellwork, but don't tell you much about the nature and properties of the crystals and stones involved in the work. Crystal Magic was created to bridge these two worlds by incorporating both elements: a solid overview of 13 widely-used crystals in Wiccan magic, along with a look at their practical applications in everyday spellwork. This approach is especially handy for those who are just beginning their collection of magical stones, since the spells themselves use only the stones featured in the guide! Foundations of Crystal Magic it's not enough to simply buy a few pretty stones and say some magic words over them. You have to build a personal relationship with crystals if you want to work with them successfully. This guide will help you to do just that, with plenty of need-to-know information including: - How crystals and mineral stones are formed in the Earth and how they're classified - How their unique energetic properties can help you shape the reality of your daily life on the physical, emotional, and spiritual planes - Profiles of 13 of the most widely used crystals and stones in contemporary Witchcraft - How to choose and care for your own crystals, including clearing and charging for use in magic - How to harness the projective and receptive energies of crystals - Several spells and magical workings using crystals, including elixirs, candle spells and charms By the end of this guide, you'll have a solid foundation from which to build your own working with crystals. But be sure to let the stones themselves guide you as well-they are natural teachers from deep inside and can aid you on your path no matter where it leads you!

The Spell Book of a Wicked Witch Thorne 2021-02-07 Sometimes the only way to get justice is to make it for yourself. Most witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those things. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. That's where you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been lying to you And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

Of Witches and Warlocks, the Complete Series Weatherford 2015-02-15 Of Witches and Warlocks, the complete series, from #1 International and USA Today Bestselling Author, Lacey Weatherford. Delve into the world of novice witch, Portia Mullins, and her sexy warlock boyfriend, Vance Mangum, as the two find themselves caught up in a world of magic, mystery, and mayhem. The complete full-length set of books. 1. The Trouble with Spells Portia Mullins had always lived the life of a normal teenager, up until her sixteenth birthday. Her grandma then informs her that she is actually a witch who is a descendant of a long line of witches. After overcoming her disbelief she finds that being a member of the coven comes with one great perk in the form of the school bad boy, Vance Mangum. Vance and Portia have an immediate connection as a budding romance begins, only to be threatened by the turbulent skies on the horizon as Vance's checkered past rears its ugly head to haunt them. Portia is forced to use her untrained defense of everything she loves in a desperate attempt to hold on to the one thing that really matters in her life. 2. The Devil's Due Can someone else's past come back to bite you? After being drained of nearly all the blood in her body, novice witch, Portia Mullins is forced to find that her warlock boyfriend, Vance Mangum, has fled in search of his demon father. Determined to keep him from facing justice alone Portia follows after him, unknowingly setting herself on the path of a new adventure that will take her, Vance, and the coven across international borders, into a foreign place where they will discover that the black magic that awaits them is far worse than they could have imagined. Portia finds herself tangled up in a web of lies and deceit in another's quest for demonic power. 3. Blood of the Witch When the personal connection between Portia and Vance explodes, the two quickly find themselves in a world of shifting balances. As they are searching for Vance's missing mother, they realize they are suddenly unsure of whom to trust, learning sometimes the hard way that not all who appear to be what they seem. When Vance's demon characteristics abruptly begin to resurface without warning, the horrible truth comes out and falls down upon them and shattering some of their most precious dreams. Once the deadly secret is uncovered, Portia and Vance find themselves hastily rushing against the hands of time in an attempt to stop an ancient ritual. Passion, loyalties, powers, and secrets.

will all be tested when dangerous adventures abound. 4. The Dark Rising When Portia Mullins discovers the love of her life is heart soars. But reality sets in immediately causing it to plummet when she realizes he doesn't remember his past life with her. To give up, she embarks on a loving quest to restore his life to him. Vance Mangum sees the beautiful girl claiming to be his wife. He can't remember her, he can't deny the intense pull he feels between them. Not knowing where else to turn, he agrees to give her what she's asked for and to assist her in the effort to recover his memories. The two quickly reconnect, but dark surprises are lurking in the wings when Vance discovers a desperate longing for something he feels he can't withstand. Will he be able to resist? Or will he head in a new form, leaving Portia as the prey of the very man her heart desires? Darkness reigns supreme in this haunting tale of desperation. 5. Possession of Souls Fear and desperation leave Portia and Vance clinging to threadbare hope as life is given, and then taken away. Manipulated, driven by bloodlust and the desire to claim sole possession, the stakes are raised higher than they've ever been. Evil rises with the intent to dominate, leading them and their coven to the ultimate confrontation—a battle that will force one of them to make a devastating, life-altering decision. Who will survive the final stand?
